

# Romeo and Juliet—Personalized License

Think up some creative "personalized buggy license plates" for various characters. Quotes can be used. EX. "LYKAROZ" (like a rose) "JLTZSUN" (Juliet is the sun) Popular characters include Romeo, Juliet, The Nurse, Mercutio, and Tybalt (KNGOCTS - KING of cats). Put yourself in the place of a character and make a personalized plate he or she might have on his or her horse or buggy.

1. Create the wording or phrase on the plate
2. Color and decorate for creativity.
3. Fill in the small blocks with something fitting.
4. Cut out plate on black line and glue to construction paper.
5. Cut construction paper larger and place behind plate to add a 1/4 inch border.
6. Use 7 letters max (LARGE!)
7. Practice First!
