

Birthday Research – Day Two

Is My Research Strong Enough? and Have I Researched Enough?

Thesis: _____

*Thesis: It should make a claim or have an opinion – **SOMETHING TO PROVE***

Summarize 3-5 possible concrete details supporting each main idea for the paper.

-Do these support the main idea, and are they unique and interesting?

A, B, and C are minimum—more may be needed in the event that A, B, or C do not adequately or fully support the main idea to prove the thesis is true. Will they intrigue, interest, and excite the reader?

Need Quality Details! (More than just dates and numbers!)

“I cannot find anything!” Then REsearch and REsearch – It’s called REsearch for a reason.

Main Idea #1 – Leading up to _____

A.

B.

C.

D.

E.

Main Idea #2 – During the time _____

A.

B.

C.

D.

E.

Main Idea #3 – Impacts following _____

A.

B.

C.

D.

E.

For each concrete detail, identify the source consulted. Note it in some way on this paper so that it can be found in Noodle Tools. KNOW WHICH CD CAME FROM WHICH SOURCE IN NOODLE TOOLS.

**For example-
MI #1-CD
B=Johnson**
